IBEW PACIFIC COAST PENSION
FUND,

Plaintiff,

v.

HARRIS ELECTRIC, INC., et al.,

Defendants.

CASE NO. C18-0181JLR

MINUTE ORDER

The following minute order is made by the direction of the court, the Honorable
James L. Robart:

On July 19, 2021, the parties filed a stipulated motion to set the trial date in this
matter in June 2022. (7/19/21 Stip. (Dkt. # 47).) The court was unable to accommodate
the parties' request at that time and offered, instead, to set trial at the end of its trial
calendar. (See 7/19/21 Order (Dkt. # 48).) The parties accepted the court's offer and the

1 court set trial on May 15, 2023. (*See* 7/21/21 Stip. (Dkt. # 49); 7/21/21 Order (Dkt.
2 # 50); 7/22/21 Sched. Order (Dkt. # 51).)

3 Since then, several trial dates have become available that are closer to the parties'
4 originally requested date. Accordingly, the court ORDERS the parties to file a joint
5 status report by no later than April 8, 2022, regarding their readiness for a bench trial
6 beginning on **September 26, 2022**. If the court resets trial on that date, the new
7 discovery motions deadline will be April 29, 2022; the discovery deadline will be May
8 31, 2022; and the dispositive motions deadline will be June 28, 2022. If the parties will
9 not be ready or available for trial on September 26, 2022, the parties shall inform the
10 court of the date when they expect to be ready for trial.

11 Filed and entered this 29th day of March, 2022.
